

**Entrance to Prom is at the Constellation Energy Learning Entrance on Key Highway. Students will not be able to enter the Science Center from the main entrance at the Inner Harbor. Students are welcome to take pictures in front of the venue and the harbor, but will need to walk around the building to enter Prom.**

### **Driving Directions**

601 Light Street Baltimore, MD 21230

Take I-95 North to Baltimore. Take Key Highway Exit. Prior to turning right onto Light Street, the Science Center will be on your right. There is a drop off lane in front of the **“Constellation Energy Learning Entrance”**. All guests must enter through these doors.

or

Take I-95 North to Baltimore. Follow the sign to Downtown Baltimore. Take the exit to I-395. Follow the signs to the Inner Harbor downtown area. Turn right onto Conway Street. Follow Conway Street to Light Street. Turn right onto Light Street, move to the furthest left lane, and follow to the traffic light at Key Highway. Bear left onto Key Highway (it's not a straight-across intersection). The Maryland Science Center will be immediately on your left. Enter through the **“Constellation Energy Learning Entrance”**

### **Parking**

There are metered spaces along Key Highway and Light Street.

#### **Arrow Parking Garage**
